## Did You Know My Mom?

Did you know my mom? She was a wonderful person. We did many special things together. I have terrific memories of my mom.

My mom was loving. She always bought us what we needed for school. She was always caring. She would help me with my homework and say I love you.

My mom and I liked to do many things together. We would walk the dog around the block after dinner. We would also go see a movie. Our favorite movie is Alvin and the Chipmunks. We would also play some board games. Our favorite board game is Clue.

I have many special memories of my mom. The first memory is she would come to my school if the school had a field trip. One time we went to Lourdes. Another special memory is my birthday. She would make her delicious tacos. The last special memory is Mother's Day. I would sneak in her room and take one of her rings, and put it in my room until the next day. The next day I would go into my room, grab the ring, then go down stairs, and give the ring to her. These are the special memories of my mom.

My mom was a wonderful person. We did a lot of special things together. I have terrific memories of my mom. That is why I love my mom.

Dear Chelsea,

I have a problem. I never have time to get my homework finished. What should I do?

Sincerely,  
Out Of Time

Dear Out Of Time,

I have some advice for you. If you never have time to get your homework finished, you should do it right after school. Second, you should set up a place to do your homework. Third, you want to make sure you have all the supplies you need before you begin your homework. Fourth, you don't want to take too many breaks. I hope this advice helps and that your grades start to improve.

Sincerely,  
Chelsie

## When You Need Guidance

The Lord says, "I will guide you along the best pathway for your life. I will advise you and watch over you" (psalm 32:8)

Heavenly Father

I know you are the great counselor! I am in need of guidance, for I don't know what to do. Help me to do what you want done in this situation. Please send someone to show me the steps I need to take. I depend on you, and I thank you, Heavenly father. I ask this in Jesus' name. Amen.

I selected this prayer because kids need guidance. For example when people make bad decisions they need their friends, parents or family to help them get through it.
